

## Lactation Educator Counselor

San Diego, CA

### Lactation Educator Training Program

This program prepares health professionals and other interested individuals to become lactation educators. It furnishes the basic information necessary to promote breastfeeding and to interact in the breastfeeding situation by assisting and encouraging the breastfeeding triad of mother, baby, and support person. Topics include basic anatomy and physiology of lactation, early attachment of the baby, hospital care, support during the postpartum stage, common concerns and solutions, and appliances and apparatuses used in breastfeeding. The Lactation Educator and the Lactation Educator Counselor are the same course. This 45 hour program meets the prerequisite requirement for the LEAARC approved Lactation Consultant training program. At completion of the course students are "Certificated Lactation Educator Counselors."

**Special Instructions:** Please bring a doll and baby blanket to class. A textbook is required, so please visit [www.breastfeeding-education.com](http://www.breastfeeding-education.com) for details. Outside homework requirement will consist of 40-60 hours of work. For more information, call (858) 534-9262 or visit [extension.ucsd.edu/lactation](http://extension.ucsd.edu/lactation).
